AN HISTORIC YEAR FOR OUR CLUBS

Last year 2021 and continuing into the early part of 2022 have been very exciting times in the history of Mooncoin GAA both on and off the field. Off the field, the completion of one of our biggest projects to date, the new club car park and entrance was a major milestone in the club's development culminating in the visit of the President of Cumann Lúthchleas Gael, Larry McCarthy to unveil the commemorative statue honouring the legacy of one of Mooncoin GAA Club's most decorated players, Richard 'Drug' Walsh in October. His statue not only becomes a focal point to the new entrance to our club grounds but also to the village of Mooncoin.

Despite the challenges of the continuing pandemic all three clubs have been very successful on the field of play. Unique in the club's history, on a weekend in November 2021 both the Junior Hurling and Junior Camogie teams secured County titles. While a few weeks previously our Junior A team secured the County title meaning the club will field both Intermediate (Hurling and Camogie) and Junior (Hurling) teams in 2022.

Success continued into 2022 with a second Junior Leinster title within five years followed by an historic All-Ireland Junior Club win in Croke Park on Saturday 5th February. A day in headquarters that will never be forgotten by the parish. At juvenile level, the Camogie club were crowned U14 county champions while in August our U15 boys hurling team had success in the county Féile na nGael competition.

On this special night we would like to thank our players, coaches, members and supporters who give their time freely to help ensure our club remains vibrant, successful and progressive. Your ongoing contributions are not only vital, they are very much appreciated.

Go Raibh Maith Agaibh
